

LICENSE AGREEMENT Kxxxx/IT

BETWEEN:

The European Organization for Nuclear Research, an intergovernmental organisation established at Geneva, Switzerland (hereafter referred to as "CERN"),

AND: on the one hand,
Organization Name, Organization acronym as appropriate, established at Organization Address hereafter referred to as the "Licensee"

on the other hand,
hereafter collectively referred to as the "Parties";

WHEREAS

CERN has developed and holds all rights to a software product called "Name of Software" (hereafter referred to as "the Software");

The Licensee has requested CERN to be allowed to use the Software for its internal purposes.

THE PARTIES HEREWITH AGREE AS FOLLOWS:

- 1) The Parties agree that the copyright and all other rights related to the Software, in whatever form, including but not limited to the source code, the object code and the user documentation, are vested in CERN.
- 2) CERN herewith agrees to grant to the Licensee a royalty-free and non-exclusive license to use, copy and make modifications of the Software, including the source code, the object code and the user documentation, exclusively for the purpose defined above and subject to the conditions stated hereunder.

- 3) The provision by CERN of the Software is on an as-is basis and CERN provides no express or implied warranties of any kind. CERN accepts no liability whatsoever in relation to the Software and the Licensee shall hold CERN free and harmless from any liability in connection with its use.
- 4) The Licensee shall use the Software for internal purposes only. In particular, the Software shall only be used by employees and agents of the Licensee and the Licensee shall not make the Software available to any third party, without prior written permission by CERN, which it can give or withhold at its sole discretion. Such permission may be subject to the conclusion of a separate Agreement between CERN, the Licensee and such third party.
- 5) The Licensee shall not use the Software for commercial purposes or for military applications.
- 6) The Licensee shall notify CERN in writing of the creation of any modifications of the Software which is based on or derived from the Software, or which incorporates any element of the Software) (hereafter collectively referred to as "use") and shall grant to CERN a royalty-free and non exclusive license to use such modifications of the Software.
- 7) The Licensee shall ensure that all copies and modifications of the Software shall contain in full the copyright statement which is included in the Software.
- 8) The Licensee shall take all necessary measures to prevent any infringement of the terms of this License Agreement and shall be liable to CERN for any such infringement.
- 9) In case of an infringement by the Licensee of the terms of this License Agreement, CERN is entitled to terminate this License Agreement forthwith, without any compensation being due by CERN to the Licensee.
- 10) In case this License Agreement is terminated the Licensee shall return forthwith to CERN all copies of the Software, including the source code, the object code and the user documentation, or, where this is not possible, give written evidence to CERN of their destruction. In addition, in the event of such termination, any use by the Licensee of any modifications of the Software shall be subject to prior written permission by CERN, which it may give or withhold at its sole discretion.

- 11) Any dispute arising from this License Agreement which cannot be settled amicably shall be submitted to arbitration in accordance with CERN's intergovernmental status, to be held in Geneva, Switzerland.
- 12) This License Agreement shall be interpreted in accordance with its true meaning and effect and, as a consequence of CERN's status as an intergovernmental Organization, independently of any national or local law. Provided that if and insofar as this License Agreement does not stipulate, or any of the terms and conditions are ambiguous or unclear, then, in those circumstances only and solely in respect of those circumstances and not in respect of the License Agreement as a whole, reference shall be had to Swiss law.
- 13) This License Agreement cancels and replaces any previous Agreement with regard to the Software between CERN and the Licensee and constitutes the sole Agreement between the Parties.
- 14) All correspondence concerning this License Agreement shall bear the reference Kxxx/IT and shall be addressed to François Fluckiger, CERN-IT Division.
- 15) This License Agreement shall enter into force on the date of its signature by authorized representatives of the Parties.

Signed in Geneva, on **date**
